hey crew, yeah we would like that, maybe for the text on our server,

"Für die Deutsche Gamers under die Leute, unsere partner-clan =K5DC= sucht noch Mitglieder uber den achtzehn Jahre."

correct me if I'm wrong, german ain't my strongest language ^, I'm doing the best I can, hehe.

Dutch version:

"voor de nederlandse gamers onder ons, onze partner-clan =DmgC= zoekt nog leden van 16+"

ah guys, where were you today, i thought we were gonna have training, no harm done, we could play against 5 guys with skills like eujaim oohraa (who was also there).

but maybe a notice next time please if your not coming, i would appreciate that.

^^, see you soon.

i got notice from crew that he had to leave for private issues and that probably you guys wouldn't play with us anymore.

But i'm inviting all of you guys to just play with us, most evenings were online on clanmod, just join when you feel like.

lol, ich hatte von crew gehört das die meisten von ihr nicht gut waren in die Englische sprache, ich kan das halen aus dein Reaction.

Was ich gesagt habe, war das ich von crew gehört habe das er private problemen hatte. Was ich gesagt habe hier, war das sie spelen könnte mit uns wenn ihr dafür fühlt und das wir bijnahe jedes tage in Clanmod bevinden.

(ich bin schlecht in die deutsche sprache xD)
